

## SIMPLIFIED HOUSEHOLD EEE PRICE LIST

### As of July 1st, 2024

EcoLogic provides a simplified price list without the notion of weight and modulation.

This simplified price list is reserved for producers who put on the market small quantities of EEEs.

EcoLogic may ask the member to complete its declaration under the standard scale if the reported tonnages in the simplified mode exceed five (5) tons.

The terms and conditions for applying this scale are detailed on our website [www.ecologic-france.com](http://www.ecologic-france.com)

Updates to the price list as of July 1st, 2024 are shown in red.

The minimum annual charge is 75€, tax excluded.
